SWISS BUSINESS SCHOOL

MBA
**Master of Business
Administration**

www.sbs.edu

The mission of the institution is to educate individuals who will contribute to the management and leadership of global organization

Dean's Message

Business has changed radically. We exist in a business borderless environment, in which technological innovation occurs at breakneck speed. A world of incredibly smart and socially collaborative customers, of enhanced security concerns, increasingly complex government regulations, and economic uncertainty.

We understand that as a leader or future leader in a complex world, you want to engage your employees, delight your customers, restore and sustain the environment, and lead with integrity. It will not take two generations. We can and will re-invent the world in this generation!

Now is the best time for you to prepare, re-tool, and aggressively launch forward. The SBS MBA will equip you for tomorrow's business opportunities while keeping you grounded in today's business reality.

Our program is IACBE accredited, cutting-edge, and well-respected in the Zurich region and across the globe. Our curriculum is designed to develop leaders for the current and emerging business environment. Faculty conduct dynamic and interactive classes that are responsive to current business situations. Employers know that MBA graduates have a knowledge base and set of skills that will be an asset in this highly competitive global economy. Our students know that now is the time to take command of their careers.

Face it. You are busy. You have work obligations, family commitments, and a life to live. We understand that. That's why our program provides the ultimate in flexibility and convenience. Our MBA fits your life; not the other way around.

Bert Wolfs, Ph.D.
Academic Dean

Our programs are in accordance with European MBA standards equivalence of 90 ECTS credits

SBS MBA Programs

An MBA is sought after by ambitious individuals and in many organizations it is rewarded by an increase in salary and promotion. One of the most common reasons students mention for pursuing an MBA is a career change. The programs are based on a common curriculum with extensive attention placed on the fields of specialization. At SBS Swiss Business School, you will find a supportive community where each person's interests and ideas make a difference. With a limited class size, you're assured of

receiving individual attention from our faculty and staff. We offer an academically challenging curriculum, tailored to your career goals, and numerous opportunities for learning. These attributes set our MBA program apart from others. You can design a program of study that enables you to build on your strengths and interests. The program broadens your knowledge; sharpens your business skills; and incorporates your personal, professional, and extracurricular experiences.

FLEX MBA

The SBS Flex MBA is a part-time program developed to provide students with a special set of skills, and expertise in the field of International Management. In today's dynamic marketplace, successful working professionals must be innovative and entrepreneurial, combining a general knowledge of business functions with specific skills in their area of responsibility. The Flex MBA program allows students to keep their full time job while studying, and lets them apply the knowledge directly in the workplace.

The courses are held once a month on campus; on a Friday, Saturday, and Sunday from 09:00 - 18:00. This gives the participants the opportunity to meet with the lecturer and their classmates.

'On the SBS MBA program I developed a solid understanding for international finance, marketing, and economics among others subjects which contributed immensely to my career development at Infrassure and to being considered for more complex roles within the organization.'

Casper van der Elst, MBA Alumnus, SBS Senior Associate at Quilvest (Switzerland) Ltd
